2025 GIG HARBOR FILM FESTIVAL

WWW.PROPELINSURANCE.COM

PAMELA HOLT
EXECUTIVE DIRECTOR

Hello, Gig Harbor Film Festival Fans!

It's my great pleasure to welcome you to this year's GHFF — a celebration of independent cinema at its most diverse and exciting. With 91 independent films across every genre, we believe this is our most eclectic lineup yet. Each selection reflects our mission “to cultivate a community of filmmakers and film lovers that celebrates the power of the cinematic arts to educate, entertain, and inspire.”

Over the festival's four days, you'll experience cinematic storytelling on the big screen alongside fellow film fans, filmmakers, and crew members from Canada and across the country. For our VIP Passholders, we've curated an immersive, all-access experience filled with exclusive parties, events, and unforgettable moments.

The GHFF is proud to be known as a “Filmmaker's Film Festival,” welcoming back our talented alumni while introducing bold new voices. Many of our artists are offering premiere screenings and post-film Q&As — so check the schedule. Remember, every film screens twice, and your festival favorites will be shown again on Sunday.

I'm also thrilled to share that the GHFF remains ranked among the *Top 100 Best Reviewed Festivals* on FilmFreeway — placing us in the top 1% of more than 12,000 festivals worldwide!

This magic happens thanks to our generous sponsors, donors, VIPs, patrons, community, Board of Directors, staff, and volunteers — your dedication has kept the festival thriving since its founding in 2007 by Marty Thacker.

So, grab a snack, sink into your luxurious Galaxy recliner, and let yourself be transported into the magical world of film. It's showtime!

Best,
Pam

2025 FESTIVAL ~ CELEBRATING THE GIG HARBOR FILM FESTIVAL ANNUAL AUCTION

HOW IT WORKS

Festival films are shown in “blocks.” A block features either one feature-length film or a curated series of short films. This year, we’re proud to present 14 feature films and 11 themed shorts blocks — from laugh-out-loud comedies to heartwarming dramas to local documentaries. There’s truly something for everyone in our wonderfully eclectic lineup.

When filmmakers attend screenings, we often host an in-theater Q&A immediately afterward. The Gig Harbor Film Festival welcomes filmmakers from across the country — and many bring along their cast and crew. It’s a rare chance to connect with the talented artists who bring these stories to life.

OPENING NIGHT MOVIE

GIG HARBOR PREMIERE OF
Bob Mackie: Naked Illusion

Directed by: Matthew Miele | 104 minutes PG-13

Bob Mackie: Naked Illusion is a dazzling journey through the six-decade career of legendary costume designer Bob Mackie. Known for his fearless, boundary-defying creations, Mackie has shaped the look of entertainment for generations — from Cher's iconic stagewear to Carol Burnett's comedic glamour, Elton John's flamboyance, and the modern sparkle of stars like Miley Cyrus, P!nk, Tina Turner, and Zendaya.

With unprecedented access to Mackie's personal archives, Quixotic Endeavors reveals rare, never-before-seen artifacts and intimate stories from his remarkable life. The film explores his unconventional upbringing, the pivotal relationships that defined his artistry, and the indelible mark he's left on stage, screen, and the red carpet.

Featuring original interviews with his celebrated clients, creative collaborators, and designers he's inspired, *Bob Mackie: Naked Illusion* captures the brilliance of a man whose work has earned nine Emmy Awards, three Oscar nominations, and a Tony Award.

We are honored to welcome Bob Mackie and producer and Design Director Joe McFate for Opening Night at the GHFF, followed by a Q&A moderated by alumni filmmaker Natalie Lynch. Don't miss this rare opportunity to join in the lively conversation with Bob and Joe!

IN LOVING MEMORY OF MARTY THACKER

Founder & Executive Director, Gig Harbor Film Festival

With vision, passion, and an unwavering dedication to the arts, Marty Thacker helped bring a dream to life. In 2007, alongside a small group of film lovers and community supporters, Marty founded the Gig Harbor Film Festival, building on the dream first imagined by former City Councilwoman Marilyn Owel.

Over the years, Marty transformed that vision into a thriving event that not only brought world-class films to our community but also created a stage for stories that matter. From documentaries exploring urgent global issues to the inspiring works of young filmmakers, the festival under Marty's leadership became a cultural cornerstone of Gig Harbor.

Marty was never bashful about reaching out to big names in the industry, even contacting Robert Redford in 2013. Her persistence and charm brought notable guests to the festival, including David DePatie (Pink Panther), Hal Linden (Barney Miller), Walter Mirisch (producer of West Side Story, Some Like It Hot), and Karen Black (Easy Rider, The Great Gatsby). In 2011, the legendary Julie Andrews attended a screening of Victor Victoria, and actor Josh Lucas also made an appearance in 2012, bringing star power and excitement to the community.

For eight years as Executive Director, Marty's warm spirit, creative vision, and relentless belief in the power of film touched countless lives. She gave Gig Harbor not just a festival, but a celebration of storytelling, art, and shared humanity.

We express our deepest gratitude for her remarkable contributions. Marty leaves behind a legacy that will continue to inspire audiences, filmmakers, and the community for years to come. Marty will be deeply missed, but her light will continue to shine through the community she helped create.

Please join us at the Awards Ceremony on Sunday, September 28 at 9:45am as we honor Marty's legacy during our program. For the first time, we will be recognizing outstanding filmmakers with cash awards on behalf of the newly-established Annual Legacy Awards program dedicated to Marty's vision. She would be so proud!

***Thank you, Marty, for making the stories happen—and for making
our own community's story richer and more vibrant.***
